NUMBER 31.

LOCAL WINNERS OF TRACK MEET HELD IN VERNON

Local School Still Has Chance To Win All-Round Championship Title—Two State Records Broken In Contest—Many Visitors.

According to present reports, Vernon won two silver loving cups in the district meet of the interscholastic league held in Vernon Friday and Saturday, and has a good chance to win a third. The local school is bidding strong for the cup offered to the all-round winners. Reports have not been made on the essay writing contest, and if Vernon wins the 15 points given to the winner of this event, the all-round championship cup will stay here.

The meet was well attended with nearly 300 contestants entered. The nine counties of the third district, Wilbarger, Knox, King, Cottle, Harrison, Collingsworth, Chillicothe, Hall and Ford had representatives here. Thousands of out-of-town visitors were here to witness the contests.

The two cups won by the local school are the only ones that the cup given to the winners of the track meet, Vernon easily took high honors in the track and field events, and the failure to win any first places in any of the literary events allowed Quannah to take the lead.

In track and field, Vernon led with 55 points as compared to 47 for Harold, winner of second honors. Turkey was third with 15 points, all won by Quannah, and Kirkland was fourth with 14 points.

Clayton of Harold led in high jump and in long jump, while Turkey took the high jump in the boys' division. The competition in various events was very close. Quannah, Crouch, Vernon and Harold were the winners in the 100-yard dash, with 11 points.

Two state records were broken in the contest Saturday. Clayton of Harold stepped the 220-yard dash in 22 flat as compared to the state record of 22 1/2. Walker of Vernon smashed a record when he took the 220-yard low hurdles in 26 1/2 seconds. The state record is 27 1/2.

Another feature of the event was the way in which the local relay team led the field. At the end of the first heat, the local team was running a pace second. Eddie H. Robinson then took the baton and ended his heat well in the lead. Ryan and Crouch both increased the lead in their turns.

Saturday's results follow: 100-yard dash—Harold, first; Vernon, first; V. Reed, Vernon, second; Taylor, Quannah, third; Davis, Chillicothe, fourth. Time 16 4/5. 100-yard dash—Quannah, Kirkland, first; Quannah, Turkey, second; Crouch, Harold, third; Walker, Vernon, fourth. Time 20 2/5. Mile run—Brewers, Vernon, first; Day, Vernon, second; Vaughn, Harold, third. Time 5:07.

He expects to return in time to conduct services at the church next Sunday.

Ford Air Service Inaugurated

The first real step forward in commercial aviation was made when the Maiden Dearborn, the first of Henry Ford's all-metal airplanes, hopped off from Dearborn Field, Detroit, Michigan, laden with a thousand pounds of freight, for Chicago. The Maiden Dearborn was piloted by Edward G. Hamilton, with Harry Russell as mechanic. The plane is the first of a projected fleet of all-metal ships which will maintain a regular air service between Chicago and Detroit. Ford has announced that as soon as the Chicago-Detroit service is in full swing, three new services would be started, one to operate to St. Louis, another to Iron Mountain, Mich., and the third to Minneapolis and St. Paul, Minn. Photo shows Ford placing a package aboard the plane just before it hopped off on its initial flight from Detroit.

WOMAN DIES IN LOCAL HOSPITAL

EFFORTS TO LOCATE RELATIVES FUTILE AND BODY BURIED HERE.

A woman, apparently 35 or 40 years of age, died in a local hospital Sunday morning. The woman had a number of relatives in the city, but efforts to locate them were futile. The body was buried here.

Saturday's results follow: 100-yard dash—Harold, first; Vernon, first; V. Reed, Vernon, second; Taylor, Quannah, third; Davis, Chillicothe, fourth. Time 16 4/5. 100-yard dash—Quannah, Kirkland, first; Quannah, Turkey, second; Crouch, Harold, third; Walker, Vernon, fourth. Time 20 2/5.

Mile run—Brewers, Vernon, first; Day, Vernon, second; Vaughn, Harold, third. Time 5:07. 220-yard low hurdles—Walker, Vernon, first; Fisher, Memphis, second; Walker, Quannah, third. Time 26 1/2.

FOUR TEAMS TO PLAY IN LEAGUE FORMED SUNDAY

Vernon, Crowell, Chillicothe and Quannah Join Organization to Play Baseball Under Auspices of Sunday Schools During Summer.

A Sunday school baseball league with teams representing four towns was formed at Chillicothe Sunday afternoon at a meeting held by those backing the movement. Vernon, Chillicothe, Quannah and Crowell will be represented by teams in the league. It is announced.

W. N. Stokes, superintendent of the First Baptist Sunday school of this city, one of the prime movers in the undertaking, was elected president of the league. He will be assisted in the management of the league affairs by an executive committee of four, one member from each town. The government of the organization will be vested in this committee. R. M. Fielder is executive committee member from Vernon, S. J. Bailey of Quannah, and Frank Graham of Chillicothe. The executive board has not been chosen. M. C. Culbertson, it is announced, will be manager of the Vernon team and a captain will be chosen by the members later.

A schedule calling for two games each week for each team has been prepared and the playing season will last over a period of ten weeks. Each team will play one game at home and one away from home each week, according to the schedule. Games will be played on Tuesdays and Fridays and the season will open on Tuesday, May 5, with Chillicothe playing in Vernon and Crowell playing in Quannah.

Games will be called at 5 p. m. and will run the regulation nine innings unless darkness intervenes. Two umpires will be appointed for each game, one from each town represented in that day's game. No professionalism will be allowed and any player who participates in any baseball game on Sunday will be expelled. Another requirement of players is that they must attend some Sunday school of the town in which they are to play at least 75 per cent of the time.

All Sunday schools in each town will sponsor the team, and players will be in the organization of the different teams will be handled by a committee representing all Sunday schools in the town.

First Methodist Revival Meeting Is Closed Sunday

The revival meeting which had been in progress at the First Methodist Church for two weeks, came to a close with the regular service Sunday night when sixteen were received into the church, making a total of 22 additions to the membership during the revival.

The meeting was closed by the pastor, Rev. C. A. Bickley, who was assisted by R. J. Kennedy of Dallas in the closing of the service and work among the young people and children. Two services were held each day during the meeting, except on Saturdays when no morning service was held. A special meeting for men was held at the Methodist church Sunday afternoon and was addressed by Rev. Bickley. At the same hour Rev. E. L. Moore, pastor of the Presbyterian Church, conducted a service for women and girls at his church.

The services were well attended throughout the two weeks. Leaders of the congregation expressed satisfaction at the results obtained with only local forces, except that a song leader was brought here especially for the meeting.

Funeral services will be held Friday afternoon from the family residence at 1111 Paradise street, at her mother, Mrs. Fred C. Moore, of Clarksville, Washington, and her only brother, Bert Mitten, of Los Angeles, are coming for the funeral and will arrive Thursday night.

Chief Figures in News of the Day

Below: JOSEPH CALLAUX, former Premier of France, who was charged with treason at the end of the world war and banished from Paris for five years, created a storm when he told friends he would enter the new Painelevé Cabinet as Minister of Finance. His wife, Mme. Callaux, was acquitted in 1914 of murder after shooting to death Gaston Calmette, editor of the Paris Figaro. Mayor Theodore P. Odell, of Nyack, N. Y., is pictured here in the garb he wore as a woman in a charity play given there. He was arrested for impersonating a woman when he appeared on the streets of the city in the wedding gown. Earl Sande, the world's greatest jockey, recovered from an almost fatal accident sustained last year at Saratoga Springs, N. Y., has signed to ride for J. P. Widener, president of the Westchester, N. Y., Racing Association, having been released by Harry F. Sinclair, millionaire oil man, who had him under contract.

LIONS ANNEX ANOTHER GAME

LOCAL CLUB BEATS BURK-BURNETT BY 9-3 COUNT AFTER STARTING SLOW

The Vernon High nine crushed the Burk-Burnett ball team by a 9-3 score at Fair Park Friday afternoon, after allowing the visitors a 3-1 lead until the sixth inning. Burk-Burnett pitched for the locals and the Burk-Burnett club, was unable to fathom the left-handed hurling.

The local lads started the scoring in the first inning, but were unable to do anything more until the sixth. Burk-Burnett failed to score in the first, but glenned two counts in the second and one in the third, ending their scoring for the day.

A. Robinson started Vernon's rally in the sixth by knocking out a two-bagger. His teammates followed his lead, and six runs were scored before the inning was over. One run each in the next two innings completed Vernon's scoring.

During the sixth inning rally, J. Scott, injured an ankle while sliding to second. This injury will seriously handicap the local club, as Scott was one of the leading hitters of the team.

The Lions go to Chillicothe Wednesday afternoon for a return game with that team. A week ago, Vernon treated Chillicothe to a humbling defeat by a 16-4 count, but with Scott out of the line up, Wednesday's game promises to be close enough to be interesting.

Civil Cases Up for Trial This Week by Court

A number of oil companies figure in the work of the district court here in its fifth week in session. All of the criminal cases on docket were disposed of last week, and the court will be occupied this week with civil cases, a number of which are a jury cases.

Cases on docket for this week are: J. T. Oates vs. L. E. Key et al., now on trial; The Herring National Bank vs. W. P. Durbin, et al.; J. L. Swartwood et al. vs. Peck & Hickernell et al.; Peck & Hickernell vs. Noble Oil & Development Co.; Herring-Showers Lumber Co. vs. Burk-Burnett Oil Co., et al.; J. A. Johnson et al. vs. Burk-Burnett Oil Co., et al.

ODELL TO HAVE LARGEST MEET

FEAST TO BE GREATEST EVER HELD IN WILBARGER.

The former-business men's banquet which will be held at Odell next Thursday evening at 8 o'clock will be the largest event of its kind ever held in Wilbarger county, according to R. M. Fielder, secretary of the local Chamber of Commerce.

The banquet is to include all the residents of the northern part of the county. More than 200 plates are being prepared. The town of Odell is furnishing 100 plates.

A. L. Stringer, principal of the Odell school, is in charge of the entertainment, and an elaborate banquet and program is being prepared. A number of Vernon citizens are booked for a part in the program. Rev. E. L. Moore, W. N. Stokes, et al., are booked for a part in the program.

With the large number that will be present, it will be almost necessary for sixty business men to go from Vernon in order to advertise to the city as it should be, according to Mr. Fielder. Business men are urged to telephone the Cashier of Chamber of Commerce office for reservations before Wednesday noon. As has been practiced at former banquets of this sort, each business man from Vernon will pay for his and one farmer's plate.

The local representatives will gather at the Chamber of Commerce office at 7 p. m., Thursday, and will go in cars from there.

Two other banquets of this sort have already been arranged for. One will be held at Lockett on April 28, and the other at Antelope on May 22.

NEGRO MINSTREL ON FOR COMMUNITY WEEK

The Home Economics club will open Community Week with a negro minstrel according to Mrs. Ben Leutwyler, chairman of the committee. The cast of characters has not been announced, but it is thought that only women will be used.

SAND ON FLUHMAN TRACT MAY OPEN UP NEW PAY TERRITORY WEST OF SOUTH VERNON POOL

Promising Sand Has Been Encountered at 1800 Feet, Casing Being Set and Hole Will Be Bailed Out for a Test Late This Afternoon.

Another important extension was made to the Wilbarger pool during the week-end when Key-Eslick hit a rich sand at 1800 feet, four miles west of the South Vernon pool on the Fluhman land in the W. A. McKinney survey. Several rich cores have been taken, and the well will probably be bailed out this afternoon. Present showings promise production. Considerable lease activities are taking place in the territory surrounding the well at record prices for wildcat territory.

Developments on the Rosenfield-Schoonmaker wildcat on section 29, J. Pointevant survey, midway between the Sider and South Vernon pools have proven successful, and there is every indication that this well will be brought in despite the cave-in which occurred soon after the pay sand was struck. Casing is being set at 1500 feet, and the oil showing is still promising.

McCaney-Sherin-Lucy are making preparations to shoot No. 7 Stephens on section 83, block 14, in the 2275 foot sand. They expect a valuable producer in this hole. No. 14 which was brought in last week for 100 barrels is to be shut again in the hope of increasing production.

Gulf Production struck a sand on section 65, block 14, Waggoner holdings, offsetting Levy No. 1, and is setting casing today, with a good showing.

M. L. V. Smith is spudding in another wildcat on section 36, block 2. McCaney-Richards-Yeager are rigging up for a wildcat on section 35, block 4. They will spud in near the end of the week.

The large number of permits is being during the week indicate the birth of a new interest in the Wilbarger pool. Castlesbury Farm oil company received permits for Nos. 3, 4, 5, 6, 7, Castlesbury, all to be drilled in the 1400 foot sand.

Atlantic Oil Producing company received a permit to drill No. 4 Zipper to the 2500 foot level. Acme Oil and Gas company received a permit to drill No. 1 Zeisel to the 1200 foot horizon.

M. L. V. Smith has permission to drill No. 1 Waggoner to the 2500 foot sand.

The date for the Doans Annual May Picnic will be May 2 this year as it is scheduled to take place the first Saturday in May, rain or shine. The picnic is held in the Wattle's grove, north of Doans on Red River and this is the forty-first anniversary of the famous reunion.

C. F. Doan, founder of the affair, with a few others, celebrated May 1, 1884 with a dinner consisting mainly of canned goods at the place where the picnic is held. Later the date was changed to the first Saturday in May and for a number of years, the date has remained the same. Old timers say it always rains the night before the picnic or on that day. This year they are looking forward with a great deal of curiosity and anxiety as to whether the prognosis will hold good. Anyway the picnic is held rain or shine.

Every two years the candidates fire the opening guns of their campaign, beneath the lofty elms. This year is what is termed an off year for the affair as the candidates will be conspicuous by their absence. A crowd of at least five thousand people will be there. A ball game and public speaking are scheduled, various concessions will be on the grounds, old friends will meet up with folks they haven't seen in years and the dinner, the main feature of the day will be up to its usual standard-perfection.

Mrs. J. P. Bennett and son, Claude, have returned from Leo Cook County, where they attended the funeral of her sister, Mrs. Cordell, who was buried there Saturday. She has visited here quite often and had many friends here.

VERNON LOSES LITERARY MEET

LOCAL HIGH FAILS TO PLACE IN ALL BUT ONE EVENT—MUNDAY WINS.

Munday, Knox county, won high honors in the literary events of the interscholastic league held here Friday. In the debates Friday, the advantage the negative had over the affirmative was clearly noticeable. No vote was cast for the affirmative in any of the debates throughout the contest. Coaches stated that the negative was winning everywhere. Perhaps it was a trick of fate that gave Vernon the affirmative in both divisions.

Friday's winners follow: Boys' debate—Chillicothe. Girls' debate—Memphis. Extemporaneous speaking—Boyd Baranbach, Wellington, first; M. L. Cook, Munday, second.

Junior girls' declamation, high school division—Lola Brock, Munday, first; Berline Stringer, Tolbert, second.

Senior boys' declamation, high school division—Hubert Isbell, Munday, first; Richard Gass, Wellington, second.

Senior girls' declamation—High school division—Nanona Lovel, Quannah, first; Hazel Dykes, Crowell, second.

Senior boys' declamation—High school division—Jene Rodgers, Quannah, first; Clint Castleberry, Quannah, second.

Junior boys' declamation—Rural school division—Joseph Turner, El-Holt, first; Harold Leach, Cross Roads, Collingsworth county, second.

Junior girls' declamation—Rural school division—Maurine Knapp, Hank Hill, Wilbarger county, first; Myra Moece, Mountainview, Chillicothe county, second.

Senior boys' declamation—Rural school division—Douglas Lynch, Mountainview, Chillicothe county, first; Glen Huggins, Guthrie King, King county, second.

Senior girls' declamation—Rural school division—Belle Hodges, Buffalo Flat, Hall county, first; Gladys Smith, Dumont, second.

Success is attending the efforts of Rev. Arthur Fox in the Baptist revival meeting. Seventy-nine additions to the church have been made to date. Record audiences are attending the services, and it has become necessary to hold night services in the tabernacle in order to accommodate the crowds. Conservative estimates placed Sunday night's attendance at 1000.

Rev. Fox is proving himself all that was expected of him, and although a pastor, his success is equal to that of the most enthusiastic evangelist. Before coming here he held a revival at Newport, securing 186 additions during the meeting. Present indications are that the local revival will be as successful as the Kentucky meeting.

Past Matrons To Meet. Members of the Past Matrons Association will meet at the home of Mrs. Rona Watts, on Paradise street, Wednesday afternoon, at 4 o'clock.

Musicians To Meet. Members of the Musicians' club will meet at 3 o'clock Wednesday afternoon in the main auditorium of the Presbyterian church.

"Recompense" To Come Wednesday For 2 Days Run

Robert Keable's sensational novel "Recompense," which was written as a sequel to "Simon Called Peter," will be the featured attraction at the Pictorium Wednesday and Thursday.

Mr. Keable's two books, "Simon Called Peter" and "Recompense," have become such household literature that everybody knows Peter, the Army Chaplain, and Julie, the nurse, who battle with life and their own natures with all the sincerity and intensity of two fine, courageous and high-minded hearts.

In "Recompense," the action shifts suddenly from the "gay Paris of Armistice Day to the desolate miles of the yeldts in Africa. Here Julie Gamelyn, "the gay, outrageous Julie," a nurse in the South African Brigade, meets again with Peter Graham, an Army Chaplain, and

here the drama comes to its poignant climax.

The ending of the play "Recompense" is all happiness as the two after passing through all the stress and storm that follow the giving way to temptation, face life together, in what promises to be "One and sweet song."

Today is the last showing of "Excuse Me," the clever comedy, written by Rupert Hughes. They were bound to get married. The minister got small-pox. His taxi broke down when he went looking for another minister. His bride refused to stay on the train when they couldn't find a minister abroad to marry them. He finally had to take an aeroplane to reach his transport in time, and then—"All's well that ends well."

ATTENDANCE AT SUNDAY SCHOOL FALLS SHORT

According to the reports of the various Sunday school superintendents, the general attendance declined slightly over the previous Sunday. Total figures reached 1950 Sunday, compared with 1956 for the preceding Sunday.

Collections dropped somewhat. The total offering was \$94.77, while that of the Sunday before was \$115.94.

Local Pugilist To Fight Boxer From Amarillo

As an opener of the boxing season in Vernon, Dick Bowers, local pugilist, will take on Wildcat Monte of Amarillo for ten rounds here on the night of April 29. A large arena is being constructed on the corner of Texas and Mesquite streets, and matches will be staged there once each week throughout the summer, according to Ed Gilliland, local fight promoter.

On the opening night, four bouts will be staged. Tabby Layne of Wichita Falls and Young Sutherland of Breckenridge will stage a six-round preliminary. Two four-round bouts will lead up to the two main events.

Wildcat Monte and Dick Bowers have met in the ring before, having fought a ten-round decision bout in Amarillo last year, and one in Wichita prior to that. Bowers won the decision in Wichita and the Amarillo lad won the vote at Amarillo.

Both of the padded-glove experts are training hard for this battle, and fans who witness the scrap next Wednesday night can expect some real fighting.

THE WOMAN WHO KNOWS

Houston, Texas—"Because of my father-in-law having been benefited by taking Dr. Pierce's Golden Medical Discovery while living with us.

I know about Dr. Pierce's remedies. I knew about his poor health and how he gained strength, could rest and sleep better and was more active and cheerful. Later on it became necessary for me to take a woman's tonic, and I chose Dr. Pierce's Favorite Prescription. After the first few doses I felt better, and now recommend it very highly for women during middle age."

Airplane Flight Contest To End Sunday Morning

The airplane flight contest which has been in progress at the Methodist Sunday school for several weeks will be ended next Sunday, according to Z. A. Williamson, flight director. The contest has not yet reached the goal of 1000 members which was set by the directors early in the contest. With a record attendance of 846 last Sunday, it is hoped that the goal will be reached Sunday.

Photographs of the entire Sunday school will be made next Sunday morning, and a banner will be awarded to the leading class. At

present, W. H. Huggins' class of men is leading, followed closely by G. L. Taylor's class of boys. An elaborate banquet is planned for the winning class.

MODEL

What? Who? When? Where?

What? The MODEL is an old established and fully equipped DRY CLEANING and DYEING PLANT. It is engaged in the cleaning and dyeing of wearing apparel, cleaning draperies, furs, feathers, gloves, etc., and the cleaning and renovating of hats. The plant is housed in a modern well lighted building to which we have just made quite extensive improvements.

But modern equipment without skilled operation does not produce QUALITY cleaning. It takes long experience and careful study to produce skill and knowledge of any art.

Who? The MODEL is a Corporation composed of home people. S. A. (Avery) White a purely home product whom all know to be a clean capable business man is at the head of the business.

W. T. (Bill) Berry also a Wilbarger product has been engaged in the cleaning and dyeing business for the past several years and has made a very careful study of the business. For the past two years Mr. Berry has studied and had some valuable training in large plants in the north and east. Mr. Berry is at the head of the production department.

Mrs. Claude Justin a Wilbarger product has been associated with the business since it was established several years ago. Mrs. Justin is very capable in her line of work.

When? Our service is PROMPT, but consistent with QUALITY cleaning. SPEED and QUALITY are never found in the same plant.

Where? The plant is located at 1818 Marshall street, first door west of the city hall or use TELEPHONE 66 and a courteous representative will call.

Combined Bands Attract Large Crowds Sunday

Several thousand people crowded the court house lawn and blocked the streets of the square for more than an hour Sunday afternoon listening to the music of a piece band composed of the bands of Vernon, Elliott, and Paradise. Cheered by the blowing of countless automobile horns and handclapping, the big band played ten numbers.

According to H. L. Terhune, di-

rector of all three bands, a concert of this sort is planned for once each month throughout the summer. It is planned to construct a band stand large enough to hold the combined bands. This will be a great aid to the bands, according to Mr. Terhune, as the best effects can not be obtained when the band is packed into a crowd of people.

Work will be started on the program for the next concert immediately, and an entirely new program will be given. The director plans to have more of the latest music in the next program. It was necessary to play older pieces Sunday, owing to the fact that the bands had not been rehearsing the same music.

BURNETT'S BIG ARENA FOR RODEO COMPLETED

Jowa Park is rapidly filling with cowboys and cowgirls from various sections of the county who will enter the bronco busting, calf roping, wild steer riding, bulldozing and other contests of Tom L. Burnett's Triangle Ranch Rodeo which will be staged there April 30, May 1, 2, 3.

The rodeo is an annual feature and usually attracts thousands of visitors and arrangements have been made to care for more spectators than ever before, while from the great number of early arrivals of entries it is expected that more than a hundred and fifty cowgirls and cowboys will take part in the contests.

The immense arena with a seating capacity estimated at 15,000 has been completed and all preparations made to feed fully that many persons.

Voters of Hardeman County have approved a bond issue of \$800,000 which with state and Federal aid will be used in paving the Colorado-Gulf highway the entire distance across the county, extending from Wilbarger to Childress County. Recently a district bond issue for that purpose was defeated, but the issue approved last Thursday was a county-wide affair and received more than the required two-thirds majority.

According to the plans of the leaders in the movement an eighteen-foot concrete pavement will be laid across Hardeman County. This will put it squarely up to Wilbarger County as to whether we will make provision to fill in the gap between Tolbert and the county line east of Chillicothe. Bonds have been voted for paving all of the highway east of Vernon. One section of this work is held up by litigation, but it is generally believed that it will be only a matter of time until this suit is disposed of and the work allowed to proceed. This would leave only the gap west of Tolbert.

The success of the Hardeman County bonds insures a continuous stretch of first class road from the Childress County line to Fort Worth, with the exception of the gap of some six and a half or seven miles in Wilbarger County. Clay County roads are being prepared for pavement, which will fill in the only unimproved stretch of road between Vernon and Fort Worth at the present time. Hall County is preparing to pave and ultimately Childress, Donley and Armstrong will fall in-line, insuring a continuous stretch of paved road from Amarillo to Fort Worth. Roads from there are already paved to Austin, San Antonio and Corpus Christi, with only one or two short gaps which are now being filled in.

The dream of a few years ago of hard surfaced roads clear across Texas is destined to come true at no distant date. What we of Wilbarger County ought to do is to vote bonds for paving to the Ford County line on the west and finishing up the pavement between Tolbert and the Hardeman County line near Chillicothe. Wilbarger was one of the pioneers in paved roads in this section. We can't afford to lag behind our neighbors. In the meantime, congratulations to Hardeman County!

AREN'T STATISTICS WONDERFUL?

The Census Bureau has issued what is termed an estimate of the population of Texas, placing the total for this state at a little more than five millions. This is not to be doubted, because Texas has enjoyed a splendid growth in the five years since the 1920 census was taken.

But the estimate is interesting chiefly because of the method used in arriving at the total figures. It is really very simple, this matter of estimating the population of a state or city, if one follows the methods of the Census Bureau. Almost any fourth-grade student could do it just as well as the Bureau experts. The rate of increase from 1910 to 1920 is used as the basis, and since five years have passed the 1920 census it is assumed that half as much increase has been recorded as was chalked up in the ten-year period between the 1910 and 1920 counts. Could anything be simpler?

By the same method the population of towns and cities is worked out. If a city gained 20,000 population between 1910 and 1920, the Bureau figures that it has gained 10,000 since 1920. Of course, no particular harm is done by such computations. This sort of work keeps the clerks busy in the Census Bureau between the counts made at ten-year intervals.

But suppose a ranchman kept tab on the number of head of cattle on his ranch by this method. Or, suppose a business concern estimated its volume of business and percentage of profits or losses by that method. A great deal of controversy has been provoked in times

past about the age of Anne, who is supposed to have been or to be a very attractive young lady person. The problem might be solved by this method of estimating. Suppose Anne's little sister Sue, on a given date was five years of age and we could discover that Anne was twice as old as her younger sister. The rest would be very simple. When Sue became ten, Anne would be twenty, and when Sue reached twenty Anne would be forty, bearing in mind the rule. Anne was twice as old as Sue to start with, and since that is true it is only fair to say that she would always be twice as old as her junior sister. Of course, if there were a third sister in the family the problem would be greatly complicated. But no one should allow mere facts to complicate his problems or to balk his search for truth. The Census Bureau doesn't.

Aren't statistics just too wonderful for anything?

MORE THAN NECESSARY MA-
JORITY GIVEN ON ISSUE
OF \$600,000

By a margin of 64 votes more than the necessary two-thirds majority, the Hardeman county road bond issue for \$600,000 carried in the election held Thursday. The total vote was 1,068 for the bond issue with 502 against it.

The funds derived from the bond issue will be used to improve the Colorado to Gulf highway across Hardeman county. The highway begins in the east end of the county near Toltrett passes through Chillicothe on the west, through Damsite, Quannah and Goodlett to the Chillicothe county line.

Six of the larger boxes in the county are responsible for the passage of the bond issue; in five of the smaller boxes the issue was defeated and in the Hooley box the vote was tied at 24. In the two Quannah boxes the vote stood 517 for and 137 against. Chillicothe voted in favor of the issue by an overwhelming majority, 323 for and only 90 against. In other boxes in the county the vote was: Damsite, 37 for and 1 against; Medicine Mound, 45 for and 50 against; Goodlett, 50 for and 65 against; North Groesbeck, 4 for and 38 against; and Friendship, 12 for and 61 against.

Mrs. Will Hazlewood, of Nashville, Tenn., and former resident here, is a guest of her sister-in-law, Mrs. A. M. Hatt and family. Mrs. Hazlewood has been visiting relatives and friends in Oklahoma.

Local Guard Unit Encamps July 3 to 17 at Palacios

Official announcement was made Monday afternoon by Adjutant General Mark McGee of the place and dates for the annual encampment of the Texas National Guard numbering approximately 8,000 officers and men under the command of Major General John A. Hulen.

Company "L" 142nd Infantry, local unit, will be in camp at Palacios, July 3-17. Official notification has not been sent to the local company but copies of the official order issued by the Adjutant General's department has been sent to the various commanders in the Guard. Ample ground space has been obtained at Palacios for the accommodation of the troops during the encampment. The encampment was held at Galveston, last year.

HOME DEMONSTRATORS DEVELOP CIVILIZATION

In Collin County, Texas, the woman's home demonstration club operating with the home agent, Mrs. Viola McGee, has accomplished remarkable results in food preservation and other projects involving community cooperation and community building.

Mrs. McGee has been very successful in impressing club members with the value of home demonstration work and in creating community consciousness and pride. This, in turn, has led to a desire for cooperation and to the keeping of accurate records. Mrs. McGee was able to carry her work to such a successful conclusion largely through her ability to choose effective local leaders.

At the county fair, twenty-seven home demonstration clubs had booths, each club exhibiting commodities. Am prepared to insure your cotton anywhere and can give you prompt service. Also fire and tornado insurance written in the best companies.

tainers of meats, vegetables, fruits and other products. A total of 400,826 containers was recorded for the clubs of the one county. This alone seems a very big piece of work for one home agent to do. But this was only one project.

Another project resulted in the erection of fifteen new community houses, each costing, on an average, \$2,583.78. Three houses were built and paid for by club members and then were supplied with equipment costing \$3,149.85. The Bloomdale Club of Collin County had a community Christmas tree and sent the state orphans' home 100 jars of fruit as a Christmas present.

These are but a small part of the accomplishments of this good home demonstration agent working with cooperating people. They are the

accomplishments of the spirit of citizenship. With such a leader with such willing and loyal cooperation, these Collin County achievements can be duplicated in 1,000 other Southern counties.

"COLD IN THE HEAD"

is an acute attack of Nasal Catarrh. Those subject to frequent "colds" are generally in a "run-down" condition. HALL'S CATARRH MEDICINE is a treatment consisting of an Ointment, to be used locally, and a Tonic, which acts quickly through the Blood on the Mucous Surfaces, building up the System, and making you less liable to "colds." Sold by druggists for over 40 years. F. J. Cheney & Co., Toledo, O.

Red Bottom Tanks

Warranted for 5 years—and the warranty is stamped in the side of each tank with a steel die. You can't lose it. It can't wear off. 30 years of tank making experience is built into Red Bottom Tanks. Tens of thousands are made and sold yearly at the lowest possible manufacturing cost. They cost you less. They last longer. Two styles—the round and the oblong with round ends. Made of select galvanized steel. Reinforced at top with patent Tube Top, at bottom with Double Lock Seam. Sides made doubly strong by 2 triple corrugations. Solder is sweat into all seams. Entire bottom and lower edge coated, inside and outside, with rust-preventing paint made in our own laboratories. Applied by special heat process.

Look for the 5-year warranty stamped in the steel. Not genuine unless so stamped. COLUMBIAN STEEL TANK CO., Kansas City, Mo. Sold from stock by
